On Sunday January 25, 2015, the Miami Marathon was held. The purpose of the marathon was to get students and adults active and concerned about their health. Mrs. Perez, one of our physical education coaches, helped set up the fieldtrip. Students from 4th through 8th grade were able to attend this event. The race started at 11:00 a.m. And ended as soon as the last runner crossed the finish line, which was around 12:00 p.m. The students and their chaperones ran from Downtown Miami to Bay Front Park which was a total of 1.2 miles. After the race, the students were supplied with food and beverages and everyone who finished the race was rewarded with a medallion. Schools from all over the county attended the race. This event is held annually, but it's the first year that our school participated. We would like to thank Mrs. Perez and everyone else who helped set up this wonderful event!

## It Takes Heart to be a Hero: Jump Rope for Heart

By: Lindsay Diaz, Sofia Iacobacci, Jonathan Souto and Ilan Luzekow

This year's Jump Rope/Hoops for Heart was a huge success! Our schools goal was \$17,500 but our Bobcats exceeded the goal with a total of \$18,975.45. Since we met our goal, our P.E Coaches will have to wear a comical costume of their choice. In addition, the students who raised enough money to receive prizes got toys like a Splattered Quaky, a jump rope with a Spy Duck, a Smakaball, and much more. Those who raised money online got bonus prizes which included a Scribble Ninja Duck and a Ms. Cool Duck. Bobcats battled amongst themselves in a competition to see who could raise the most money. The stu-

dent who raised the most money had the opportunity to pie the P.E coaches in the face. Since everyone was so motivated to raise money for Jump Rope for Heart, we ranked number ONE in the state of Florida. We would like to congratulate our wonderful Bobcats for raising so much money for charity.

Mr. Diaz

**MISSION ACCOMPLISHED!**

Mrs. Perez

Mr. Villa

# What Social Media Do You Prefer?

If you found a wallet on the floor, what would you do?

- Search for the person
- Take a photo and tell your friends
- Lucky day

What's the first thing you do when your food first arrives to the table?

- Post how delicious the food is
- Take a photo
- Brag about the restaurant

It is Friday night; what are you doing?

- Online looking at what others are doing
- Taking a group photo
- Subtweeting about

What's the first thing you do when you wake up?

- Announce that you woke up
- Snap a selfie
- Read quote

If you found an iPhone on the floor, what would you do?

- Check Facebook
- Check Instagram
- Check Twitter

**Keep track of your colors !!!!**

**Facebook**  
You like to tag yourself in photos. You love to stay home playing the feature games on Facebook all day. In our middle school, 3 out of 97 students are using this social media.

**Instagram**  
You want multiple followers. You like posting photos of your major activities and getting lots of likes. In our middle school, 54 out of 97 students are using this social media.

**Twitter**  
You like telling people what your up to and keep them posted. You also like having a lot of retweets and favorite. In our middle school, 40 out of 97 students are using this social media.

The winners are.... The New England Patriots! Tom Brady threw for four touchdowns during the Super Bowl, which is what led the Patriots to victory. There were seconds left in the game and all the fans thought that the Seahawks had it in the bag, not for long! Russell Wilson dropped back to throw a pass and it was intercepted at the goal line by Malcom Butler. The rookie was in tears because he had been through so much to get to where he is today. This is the Patriots' fourth Super Bowl win!

### 8th Graders

## Science Camp Adventures

The time has come for our annual science camp. The 5th and 8th graders participated in this event. The annual 5th grade science camp took place on January 8th, 2015. The teachers who participated in the 5th grade science camp were Mrs.Callabresi, Ms.Cendoya, Mrs.Edwards, Ms.Miles, and Ms.Cardeso. Students were able to participate in cool experiments. The 5th graders voted and their favorite teacher was Ms.Cendoya, she did a jeop-

ardy game. All kids are looking forward to their next science camp. The 8th graders also participated in this event. Teachers who participated in the 8th grade event were Mrs. Prada, Mrs.Mayorga, Mr.Giordano, Ms.Mitchell, Mrs.Rodriguez, and Mrs.Boundy. 8th graders voted Mrs.Prada as their favorite class. 8th graders loved Mrs.Prada's station, they did a roller coaster lab. All students that participated in the science camp are looking forward to

doing the science camp again.

### Clothing Drive- Go Green

If you have any clothes you want to get rid of, drop it off in the big box located outside of the P.E. shelter and help the less fortunate! The clothing drive was originally run by Julia Manani but Ms. Matamoros took control after she enjoyed her experience with the program last year. The Clothing Drive program has great positions with different schools every year. The clothes go to the Go Green headquarters and they are distributed to many people in need.

## 3-2-1... Action!

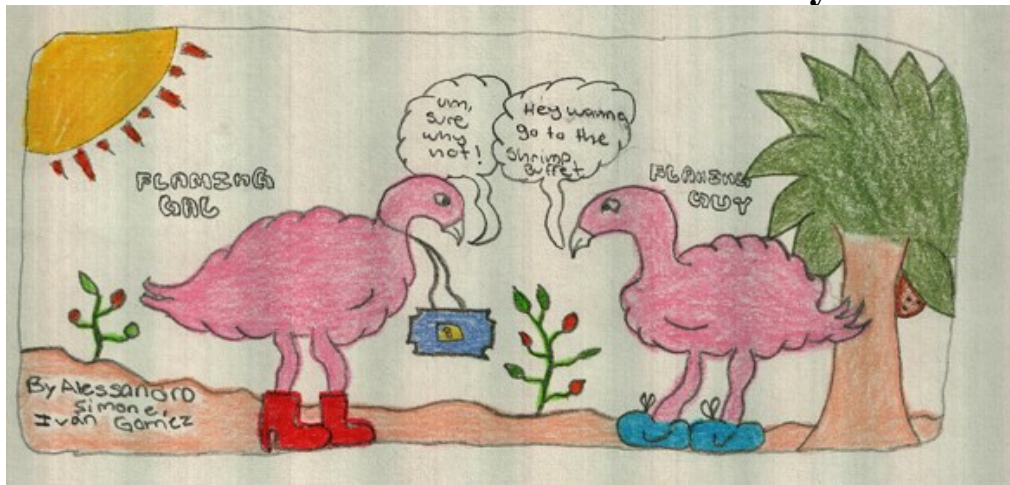

Recently the famous actor Dwayne Johnson, also known as "The Rock" was filming a TV show, "Ballers" on Kane Concourse, and a few lucky students from our very own school, spotted the actor and took a few photos later posted on The Rock's Instagram.

As of 2014, hundreds of movies have been produced. Of these movies, critics have been raving about the following top three : Unbroken as number 3, Edge of Tomorrow as number 2, and Interstellar as number one! Although such movies as Taken 3, and The Interview were right up there, Interstellar left millions of viewers confused, speechless, and exasperated. Movies to look forward to this year are Mall Cop 2, Ted 2, and even Jurassic World 2. After creating a survey of the top ten movies, number three was Amazing Spiderman, number two as Maze Runner, and the number one most voted movie by students was Let's Be Cops!

## The Adventures of Flamin-Guy

## Bobcats Take Orlando

On Thursday January 15, 2015, 6th and 7th graders went on an unbelievable theme park adventure. The 6th graders, whose destination was Hollywood Studios, were ecstatic to ride the most popular rides which were Tower of Terror and Rock 'n' Roller Coaster (Aerosmith). The 7th graders headed to Islands of Adventure. The most popular rides were The Hulk and Spider-Man. Overall, this field trip was very enjoyable and a huge success!
