Take time every day to listen to the experiences your child has in school. Feel free to contact the teacher if an issue arises that you do not understand. Remember that you are an important member of the Ruth K. Broad Bay Harbor K-8 teaching team.

The staff and I hope that Ruth K. Broad Bay Harbor K-8 Center will become an important part of your life, but most of all, that you will become an important part of Ruth K. Broad Bay Harbor K-8 Center.

May this year be the best yet.

Scott H. Saperstein
Teaching and learning provides the foundation by which a particular school, and consequently a society, will be successful or not. School leaders must provide the vision and mission for teachers and learners to achieve these goals. This type of experience is essential to prospective educational leaders to bring forth positive change in a diverse county that is Miami-Dade County. I am very happy to be a part of the Bobcat family at Ruth K. Broad K-8 at Bay Harbor. I look forward to learning from each of you and helping our school and our community push forward further into the 21st century.

Elisa Mitrani Profeta

Welcome back!

I’m looking forward to the 2017-2018 school year. My goals include assisting our principal, Mr. Saperstein, on his mission to increase our students’ achievement by consistently raising the standard through a positive school culture, improved student attendance, data analysis, and delivery of meaningful instruction. I’m also excited about meeting Bobcat families through parental involvement opportunities, such as PTA, EESAC, The Volunteer Program, and Parent Academy Workshops. Many changes are impacting our school, but one constant is the initiative taken by all stakeholders to provide the best education possible for our students. Together, we can accomplish the task and maintain the standard that keeps us high on the grade scale used to measure schools.

Once again, it will be my pleasure to serve the community as an Assistant Principal at Ruth K. Broad Bay Harbor K-8 Center and see your children successfully navigate an important phase in their education.

Please remember, my office door is always open to parents and students.

Israel R. Sosa
It is our mission to provide a secure, innovative, and challenging environment and technologically-rich program for our students to develop a strong, firm foundation from which to succeed and meet the challenges of the 21st century.
Ruth K. Broad Bay Harbor Elementary School opened for the 1995-1996 school year. This school replaced the original school that was built in the Town of Bay Harbor Islands in 1957. Shepard and Ruth K. Broad were the major developers of the Town of Bay Harbor Islands. Shepard Broad was an immigrant orphan child who arrived in the United States at the age of 14 in 1920. He was truly the product of "The American Dream." He immediately integrated into American Culture, educating himself through formal studies and graduating from New York Law School at the age of 21. Shepard met Ruth Kugel in New York and married her in 1932. He moved his young family of two children to Miami Beach, Florida in 1940. With relentless vision, he purchased mangrove swamps in North Biscayne Bay in 1946. From this swampland, he built a modern town, the Town of Bay Harbor Islands, that is now home to over 5,000 families.

The Bay Harbor Islands Elementary School, built in 1957, became too small to accommodate a growing young population. The original school, known as Bay Harbor Elementary School, was replaced by Ruth K. Broad Bay Harbor Elementary School in 1996. Shepard Broad decided to name the school in memory of his wife, Ruth Kugel Broad, whose love for children and education were cornerstones of her life.

The Shepard Broad Foundation generously supported our technology program that opened with state of the art equipment. Today our children continue to enjoy the benefits of modern technology.

For the eighteenth consecutive year, our school has achieved an A+ rating by the Department of Education of the State of Florida. The Town of Bay Harbor Islands is considered a model residential community in South Florida with one of its major assets being our school.

In 2008, Ruth K. Broad Bay Harbor Elementary became a K-8 Center.

We are ever thankful for the interest, effort and generous contributions of the Broad family.

Emergency Contact Information
Emergency Student Data Forms are distributed during the first week of school. Students are expected to bring the forms home and present them to their parents/guardians. The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted.

Fieldtrips
All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).
Interscholastic Athletics/Intramurals
The Division of Athletics, Activities and Accreditation works with M-DCPS school sites to provide students with opportunities to participate in athletics at various levels. Athletic programs are offered at K-8 Centers, middle schools and high schools. At the middle schools, athletics consists of intramural and interscholastic programs. At the high school level, interscholastic programs are offered at most senior high schools.

For participation in interscholastic athletics at the middle school level, a student must have a 2.00 GPA in conduct and academics to participate. His or her parent must sign the M-DCPS Middle School Athletic Program Consent and Release from Liability Certificate. For participation in interscholastic athletics at the high school level, a GPA of 2.00 in conduct and academics is required except for incoming freshman. All participants must purchase athletic and/or football insurance to participate and must have a current physical form on file.

The parents and student must also sign the Contract for Student Participation in Interscholastic Competitions or Performances. The District also has policies concerning transfer students and participation in athletics. If a parent has questions concerning these policies, he or she should contact the Division of Athletics, Activities and Accreditation.

Mealtime Environment
School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

The Department of Food and Nutrition serves healthy meals daily. Please visit nutrition.dadeschools.net for details on menus, programs, and services.

- **Free Breakfast**
  Miami-Dade County Public Schools offers breakfast free of charge to all M-DCPS Students. The breakfast at no charge is not dependent on the student qualifying for free/reduced price meals at lunch.

- **Free/Reduced Price Lunch Program**
  The USDA Child Nutrition Programs as administered by Miami-Dade County Public Schools provide free and reduced priced lunch for children unable to pay the full price. In place of the paper application, School Meal Program Brochures are distributed to all students informing parents on the application process and meal program. Parents are encouraged to complete an online application at freeandreducedmealapp.dadeschools.net. Paper applications are available in the school front office upon request. Many students are approved through Direct Certification and do not submit a lunch application. If approved for meal benefits, the approval status is valid throughout the school year, the summer, and approximately the first twenty days of the next school year.

Protocol for Addressing Concerns
For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.
Safety and Security

- **Code Yellow/Code Red**
  In the event of an emergency, the primary responsibility of all school personnel is to provide for the safety of all students. In the event a school administrator announces a possible threat to students and staff safety exists within the community (Code Yellow), or an imminent threat to students and staff safety exists within the school (Code Red) students, faculty and staff will comply with all the procedures outlined in the Miami-Dade County Public Schools Critical Incident Response Plan and remain on lockdown until a school administrator makes an “All Clear” announcement.

- **Emergency Operations Plan**
  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school, and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:
  - Remain calm;
  - Monitor media outlets for updates and official messages from M-DCPS;
  - Do not flood the school with telephone calls; and
  - If the school is on lockdown, wait until the lockdown is lifted before going to the school.

All school administrators, Region Center Superintendents/Directors and all M-DCPS Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

BeSafe Anonymous Reporting System
http://hoover.dadeschools.net/portable_doc/68128_Be_Safe_Anonymous_Reporting_System_Flyer.pdf

- **Fire Drills**
  Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher’s instructions. Students
must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Visitors**
  Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome and tours may be arranged to view the school. Classroom visits require a 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**
  Miami-Dade County Public Schools' students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurriculum-related.

  Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurriculum-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurriculum-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- **School Club List can be acquired in the Main Office**

**School Center for Special Instructions (SCSI)**
School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an alternative to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be removed from only the class in which the misconduct occurred. Continued misconduct can result in the removal from all classes.

**School Class Picture Process**
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.
School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children’s bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Additional information may also be found at http://ese.dadeschools.net/.

Student Records
Parents, guardians and students are protected by The Family Educational Rights and Privacy Act and the Florida Statutes from individuals' access to information in students’ educational records, and are provided the right to challenge the accuracy of these records. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders.

Each school must provide to the parents, guardians or eligible students annual notice in writing of their right to inspect and review student records. Once a student reaches 18 years of age or is attending an institution of post-secondary education, the consent is required from the student only, unless the student qualifies as a dependent under the law.
Student Services
The program structure supports educational reform initiatives and takes into consideration current social climate and the unique issues faced by the multicultural/multilingual populations enrolled in Miami-Dade County Public Schools.

Ms. Cuenca, Grades PreK - 4
Ms. De Leon, Grades 5 - 8

Student Success Centers
The Student Success Centers provide an educational setting and safe-haven for referred students (ages 11 and older) exhibiting Level III-IV behavior and (with Region approval) habitual Level II infractions of the Code of Student Conduct.

Toolkits
- Back to School Toolkit

Transgender
The School Board of Miami-Dade County has adopted comprehensive anti-discrimination and anti-bullying policies that require all students be treated with respect regardless of their unique characteristics, including sexual orientation or gender identity. Every student has the right to learn in a safe and accepting school environment and schools have a responsibility to provide a safe and nondiscriminatory environment for all students, including transgender and gender nonconforming students.

These guidelines are intended to promote a positive, proactive approach that upholds and protects the rights of transgender and gender nonconforming students; and best practices to ensure that transgender students and gender nonconforming students have equitable access to all aspects of school life (academic, extracurricular and social) in ways that preserve and protect their dignity.

Verifications of Residency
If verification is not provided or acceptable, the Superintendent may verify the student's residence.
